

Weekly report (2013.9.2 ~9.8)

Done

- 1) There are many trivial things this week:
 - a) Modify the textbook of computer game.
 - b) The interim assessment.
 - c) Go separation procedures of aliyun.
 - d) Implement a tool to computing parameters for joining the blocks of city data.
 - e) Register and select courses for the new term.
- 2) So, only less than one day is left for equalizer. After discuss with Haidong this Saturday, I'll spend another week on equalizer.

To Do

- 1) Continue learning Equalizer together with Tianye for another week.
